

CHÂTEAU DE
SIRADAN
FRANCE

Welcome / Bienvenue

Château de Siradan is a lovingly restored 17th century château nestled in the village of Siradan in the foothills of the Pyrénées set in 3 hectares of secluded, private parkland less than 1 hour from Toulouse in the Hautes-Pyrénées region of France. It provides a stunning backdrop for a relaxed but beautiful wedding.

Because every couple is different, weddings at Château de Siradan will be completely bespoke and unique to you. From the moment you arrive through the gates and the château appears we want you to feel at home and relaxed as your celebrations in France begin.

We specialise in small and medium size weddings and celebrations which means that we can really focus in on the small details to make your event that little bit more special to you and your guests.

Our wedding packages can either be a two or three-night affair allowing you and your guests time to unwind before and after the main event.

The château grounds, with our exceptional Cedar of Lebanon tree or our events barn allows plenty of space for an outdoor ceremony and reception. If you prefer an even more intimate ceremony, then our Grand Salon, in front of the large marble fireplace, is the perfect place to tie the knot with close friends and family.

The local church can also offer blessings and is at the gates of the château.

Weddings at Château de Siradan are luxurious with a home-from-home atmosphere with the emphasis on relaxation and enjoyment.

Prepare for your marriage in style with your bridesmaids in our luxury bridal suite with champagne in hand as we take care of the rest. Or unwind in the clawfoot, rolltop bath and soak in your surroundings in comfort.

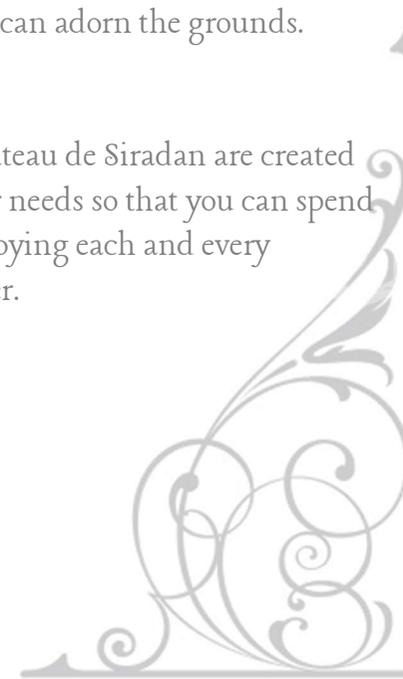

Your reception

Celebrate your marriage with either indoor or outdoor dining options. You can have a more formal sit-down, plated, wedding breakfast in our Salle à Manger for which we can seat up to 16 people or up to 30 if you would prefer a more relaxed family style feast.

During our wonderful summer months, when the South of France truly shines, we can offer dining outside in our events barn for up to 100 seated guests or more if you require the use of a sumptuous Bedouin stretched marquee from one of our trusted suppliers which can adorn the grounds.

All events at Château de Siradan are created for you and your needs so that you can spend quality time enjoying each and every moment together.

We can also recommend some exquisite suppliers to facilitate all your needs. From planners to caterers, who only work with locally sourced produce, to hair and makeup stylists to ensure that everyone looks their best for the occasion. Anything is possible at the chateau.

Your stay with us

During your time with us, the château and grounds, are exclusively yours.

Each of our 12 suites are unique in style and approach, with everything you will require to enjoy your stay in the utmost comfort.

Marble bathrooms, Rituals toiletries, sumptuously soft dressing gowns, Egyptian cotton linens and duck down duvets all create the perfect environment for you to relax and unwind.

The château can accommodate 24 guests with one suite on the ground floor to facilitate those guests with mobility issues.

If your guest list is larger, we can recommend local B&Bs and self-catering accommodation.
