FRENCH WEDDING STYLE

To provide readers with as much insight into a real wedding as possible, please include in your submission:

- **Essential Information:**
 - Couple's Names
 - Wedding Date
 - Venue (Including the area in France)
- **Publication History:** Confirm if the wedding has been featured or submitted to other publications. Provide publication dates.
- **Feature Title:** Suggest a captivating title that encapsulates the essence of the wedding.
- **Vendor List:** Include a full list of vendors involved in the wedding.
- **Image Quantity:** Submit approximately 70 images that showcase various aspects of the wedding day.

Guideline to help you write your text:

1.The Story:

- Provide a brief overview of the couple's love story, including details on how they met and the romantic proposal.
- Share insights into why the couple chose France as the destination for their wedding, adding a touch of personal significance to the location.

2.The Planning:

- Describe how the bride meticulously organized her wedding from overseas, highlighting any challenges or unique aspects of planning a destination wedding.
- Discuss key decisions, logistical considerations, and any special touches that made the planning process memorable.

3.The Design:

- Explore the visual elements of the wedding, including flowers, decorations for both the ceremony and reception, and any noteworthy details that contributed to the overall aesthetic.
- Emphasize the design choices made by the couple, showcasing the thought and creativity that went into crafting a unique and personalized celebration.

4.The Outfits:

- Focus on the wedding dress, delving into the details of its design, style, and any special significance it holds for the bride.
- Talk about the bridesmaids dresses. Choice of color.
- Optionally, discuss the groom's attire or any other distinctive outfits chosen for the occasion.

5.The Wedding Songs:

- Highlight the music choices for the ceremony, sharing the significance of each song and how it contributed to the atmosphere.
- Provide insights into the musical selections for the cocktail hour, including whether there was a live band or any unique musical elements that stood out.
- If applicable, mention any special performances or surprises related to the wedding songs.

Images requirements

- **Landscape/Aerial:** Showcase the wedding venue in its scenic surroundings.
- **Bride Portrait:** A striking image capturing the bride in her wedding dress and getting ready images.
- **Reception/Ceremony Set-Up:** Portrait of the reception and ceremony area highlighting its decor.
- **Venue Setting:** A focused image showcasing the details of the venue setting.
- **Bouquet:** A beautiful portrait highlighting the bride's bouquet.
- **Decoration Details:** Images of flower arrangements, table decorations, and other relevant details.
- **Couple Portrait:** A captivating couple session of the newlyweds.
- **Minimize Guest Photos:** Focus on capturing the general atmosphere rather than individual guest shots.
- **Landscape image of the couple:** Used for our homepage
